Debbe and Mike have been dancing together for over 40 years. Their dancing hobby started in ballroom at Arthur Murray Dance Studio in the early 80's. In 1992 they became members of Chicago's Windy City Jitterbug Club. They began teaching for the club in 1995, and are still actively involved in the dance lesson program. Over the past 20 years they have had the pleasure of performing and teaching their blended ballroom/swing style at several dance conventions throughout the country.
